The Honorable Jan Brewer
Governor of Arizona
1700 West Washington
Phoenix, Arizona 85007

Dear Governor Brewer,

I am writing on behalf of the Emmaus Republican Committee in Emmaus, Pennsylvania. The Emmaus Republican Committee (ERC) wishes to convey our support for your state's Senate Bill 1070-Support Our Law Enforcement and Safe Neighborhood Act.

Pennsylvania's cities struggle with many of the same issues of illegal immigration and how to enforce existing laws. While I am sure our plight does not match that of Arizona, we still share a common factor, immigrants entering the United States illegally and garnering little support for enforcement from federal agencies and authorities.

The ERC supports your initiative to put in place a law which sends a clear message that your state will enforce federal law even if the United States government cannot, or will not, do so.

Your citizens, staff, elected officials and you should be proud of the fact that you place the rights and protection of legal citizens before those entering your state illegally.

Please contact us for any assistance or further support we may be able to provide.

Sincerely,

Michael Gibson, Emmaus Republican Chairman
